## WELCOME MY KNOWLEDGE MANAGEMENT

Perpustakaan  
Tun Abdul Razak

### INTRODUCTION

UiTM Library has developed a **My Knowledge Management (MyKM)** system by collecting, managing and spreading knowledge information based on the reference materials produced by the authors and researchers from UiTM; as well as the whole world.

### Objective MyKM

- 01 Collecting and managing knowledge through the provision of reference materials in various fields which are produced and published; either from inside or outside the university.
- 02 Promoting the element of knowledge transfer and knowledge sharing to improve the intellectualism among the university community.
- 03 Empowering MyKM as a leading reference and reading in gaining knowledge based on research expertise and best practices.
